Welcoming the Bioenergy Association of Ukraine as PFAN Partner

Dear Georgiy Geletukha,

We write to you with regard to our recent discussions about the Bioenergy Association of Ukraine becoming a Network Partner of the Private Financing Advisory Network (PFAN), hosted by UNIDO and REEEP, and referring to your Letter of Interest dated 12 March 2019. On behalf of the Program Management Unit of PFAN, we now gladly confirm herewith our decision to welcome you as a Network Partner of PFAN.

In connection with our discussions and the key areas of cooperation mentioned in the PFAN Partnership Guide, we confirm that we envisage your principal role in the Network shall be sourcing projects in the Ukraine. We further agree to hold collaboration meetings on an as needed basis to discuss the implementation of our joint activities.

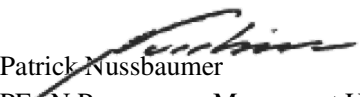

We recognize that the involvement of the Bioenergy Association of Ukraine in joint cooperation activities shall be publicized as appropriate in line with the PFAN Communication Strategy published in the PFAN Partnership Guide.

The principal point of contact for PFAN in respect of all matters relating to the Bioenergy Association of Ukraine shall be: Rostyslav Maraikin, Regional Coordinator Eastern Europe and Central Asia, rostyslav.maraikin@pfan.net.
