

**REPORT**  
**on the activities of the Bioenergy Association of Ukraine**  
**(01.01.2020 – 31.12.2020)**

**1. Improving the regulatory framework**

Event	Date
<a href="#">UABIO proposes to remove barriers to the development of the energy crops market. Letter No 471</a>	10.01.2020
<a href="#">UABIO proposals for the Concept of the Energy Efficiency Policy of Ukraine. Letter 478</a>	31.01.2020
<a href="#">UABIO proposals to the Concept of “green” energy transition of Ukraine till 2050. Letter No 480</a>	07.02.2020
<a href="#">UABIO proposals to the Concept of “green” energy transition of Ukraine till 2050. Letter No 482</a>	24.02.2020
<a href="#">UABIO proposals for solving urgent problems in Ukrainian energy sector. Letter 483</a>	14.04.2020
<a href="#">UABIO appealed to government on the release the biomass burning plants from the payment CO2 tax and support electricity production from biomethane. Letter 485</a>	06.05.2020
<a href="#">UABIO appeals to government regarding the debts of SE “Guaranteed Buyer” to producers of electricity from biomass and biogas. Letter 486</a>	29.05.2020
<a href="#">The first step towards resolving the situation on the renewable energy market has done!</a>	11.06.2020
<a href="#">UABIO proposals to the draft law № 3658 on improving the conditions for supporting the production of electricity from alternative energy sources. Letter 488</a>	30.06.2020
<a href="#">UABIO appeals to the government regarding the legal regulation of the digestate usage in Ukraine. Letter 493</a>	03.08.2020
<a href="#">UABIO Head of the Board Georgii Geletukha joined the working group at the Ministry of Energy of Ukraine on the implementation of Law 810 – IX. Letter 495</a>	12.08.2020
<a href="#">UABIO appeals to the parliament regarding the repeal Paragraph 3 of the Final and Transitional Provisions of the Law № 810-IX. Letter 497</a>	17.09.2020
<a href="#">UABIO appeals to the State Forestry Agency regarding the deferral of payments for fuel raw materials. Letter 499</a>	20.10.2020
<a href="#">UABIO proposals to improve the Law № 1959-VIII on stimulating the production of thermal energy from ADE. Letter 500</a>	26.10.2020
<a href="#">UABIO proposals for the introduction of a competitive heat market. Letter</a>	05.11.2020

<a href="#">506</a>	
<a href="#">Joint statement of public organizations to the Government of Ukraine on the need to develop and approve a national Green Deal</a>	18.11.2020
<a href="#">UABIO proposals to the draft Law №3356 on the mandatory use of liquid biofuels (biocomponents) in the transport sector. Letter 508</a>	02.12.2020
<a href="#">UABIO appeals to increase support quotas for “other” alternative energy sources to 100 MW annually for 2021 and 2022. Letter 511</a>	04.12.2020
<a href="#">UABIO proposals on regulating the usage of digestate as fertilizer – Law of Ukraine “On Pesticides and Agrochemicals”. Letter 512</a>	11.12.2020
<a href="#">UABIO appeals to support the bioenergy sector and overcome existing barriers. Letter 514</a>	24.12.2020

## 2. Analytical work, project work

Event	Date
<a href="#">An investment for green growth and a “greening” of the international financial system are global trends nowadays</a>	09.01.2020
<a href="#">UABIO experts visited a vineyard boiler house in Spain. AgroBioHeat project</a>	10.03.2020
<a href="#">Analysis of pellets and briquettes production from corn residues – UABIO Position Paper 23</a>	30.04.2020
<a href="#">UABio participated in the TNA project: technology needs assessment in Ukraine. Second report is published</a>	28.05.2020
<a href="#">Agricultural residues for energy. What you should know about organizational and technical solutions – UABIO Position Paper 24</a>	14.09.2020
<a href="#">Prospects of sunflower residues use for energy – UABIO Position Paper 25</a>	13.10.2020
<a href="#">Roadmap for bioenergy development in Ukraine until 2050 – UABIO Position Paper 26</a>	26.11.2020
<a href="#">Possible utilization directions of ash from biomass combustion. Biomass ash as fertilizer in agriculture – UABIO Position Paper 27</a>	22.12.2020
<a href="#">Measurements on the boiler plant of Volyn-Kalvis LLC in Kovel – the lighthouse case within the EU Horizon 2020 AgroBioHeat project</a>	16.12.2020
<a href="#">Measurements on the boiler plant of RAPID ENGINEERING LLC in Dnipro – the lighthouse case within the EU HORIZON 2020 AgroBioHeat project</a>	30.12.2020

### 3. Infographics

Event	Date
<a href="#">Biomass usage in the energy sector of Ukraine</a>	15.01.2020

<a href="#">Transforming energy demand in the transport sector by 2050</a>	23.10.2020
<a href="#">Prospects for the use of biofuels and biogas in the transport sector of Ukraine</a>	10.11.2020
<a href="#">MORE THAN 120 COUNTRIES have officially announced a goal to reduce greenhouse gas emissions to zero by 2050</a>	17.11.2020

<a href="#">16% – the average annual growth rate of bioenergy for the period 2010 – 2019</a>	10.12.2020
<a href="#">Bioenergy day of Ukraine 2020</a>	16.12.2020

#### 4. Organization of specialized seminars, trainings, conferences

Event	Date
<a href="#">The UABIO community is growing — 15 new members have joined in 2019</a>	03.02.2020
<a href="#">Online seminar “Ways of using the digestate of biogas plants as fertilizers”. Results and materials</a>	27.05.2020
<a href="#">Environmental problems, loss of thousands of jobs, turning off heat supply, fires — or what awaits us as a result of the shutdown of bioenergy facilities</a>	03.06.2020
<a href="#">Online seminar “Prospects for biomethane production and consumption in Ukraine”: results and materials</a>	23.06.2020
<a href="#">Sustainable Bioenergy Value Chain Innovations — the results of the stakeholders meeting</a>	02.07.2020
<a href="#">Energy crops for bioenergy projects: prospects for Ukraine — conclusions and materials of the online seminar</a>	09.09.2020
<a href="#">Prospects for the production and consumption of renewable gases in Ukraine — the results and materials of the online seminar</a>	29.09.2020
<a href="#">BIOPLAT-EU: Proceedings of the online stakeholder meeting “Energy crops for bioenergy projects: prospects for Khmelnytskyi and Ternopil regions”</a>	16.10.2020
<a href="#">Results of the First Participatory Workshop within the REGATRACE project</a>	26.10.2020
<a href="#">AgroEnergyDay 2020: materials</a>	29.10.2020
<a href="#">Online Seminar “Review of Climate Action and Transition to Sustainable Energy in Ukraine” — the results and materials of the online seminar</a>	18.11.2020

#### 5. Publications in mass media, scientific journals

Event	Date
<a href="#">Organic fertilizers in agriculture nutrients recycling</a>	20.03.2020
<a href="#">Digestate post-treatment methods and derived products</a>	30.04.2020
<a href="#">Why does Ukraine need biogas? Article for “Economichna Pravda”</a>	12.05.2020

<a href="#">Bioenergy sends an SOS signal</a>	03.06.2020
<a href="#">Non-payment in bioenergy will lead to environmental disaster. Article for “Economichna Pravda”</a>	03.06.2020
<a href="#">Energy Strategy of Ukraine until 2050 – why this document is needed now?</a>	17.08.2020
<a href="#">Where and why is Ukraine braking on the green pathway?</a>	11.09.2020
<a href="#">Opportunities for utilization of biomass residues in the renewable sector in Ukraine – project conclusions</a>	10.12.2020
<b><a href="#">UABIO Monthly digest</a></b>	

## 6. TV interviews, press conferences, videos

Event	Date
<a href="#">Georgii Geletukha: When we buy imported gas, our money works in other countries — when we buy biomass, we leave the money in Ukraine</a>	30.04.2020
<a href="#">RES: Ukrainian way — Georgii Geletukha interview for First Business Channel</a>	01.06.2020
<a href="#">UABIO calls on the authorities not to stop at signing the Memorandum</a>	12.06.2020
<a href="#">Georgii Geletukha: The bioenergy industry can grow 250 times. Interview for “Ukrainska Energetyka”</a>	15.06.2020
<a href="#">Georgii Geletukha: Role of pellets in the green economy. Interview for “Agribusiness today”</a>	28.07.2020
<a href="#">Georgii Geletukha on Ukraine’s energy independence and prospects for bioenergy. Interview for UNIAN</a>	28.08.2020
<a href="#">Bioenergy is an alternative to natural gas consumption — an interview with Georgii Geletukha for the Espresso.TV</a>	15.09.2020
<a href="#">Role of bioenergy in the economy decarbonization in circumstances of the pandemic — an interview with Georgii Geletukha for the Agribusiness Today media</a>	12.10.2020
<a href="#">Georgii Geletukha: How can Ukraine refuse gas and become energy independent</a>	19.10.2020
<a href="#">Georgii Geletukha: Biofuel is a cheap and ecological alternative to natural gas. Interview for UNIAN</a>	28.10.2020

## 7. Participation of UABIO members in conferences, seminars and other events, awards

Event	Date
-------	------

<a href="#">UABIO and SEC Biomass experts presentations at World Sustainable Energy Days 2020</a>	12.03.2020
<a href="#">Scientific work from UABIO members is nominated for the State Prize of Ukraine</a>	22.04.2020
<a href="#">6 key proposals of UABIO to the Government</a>	05.05.2020
<a href="#">UABIO Head of the Board Georgii Geletukha was elected as a Board Member of the World Bioenergy Association</a>	07.05.2020
<a href="#">UABIO experts took part in a practical seminar “Restoration of soil fertility &amp; organic fertilizers”</a>	18.06.2020
<a href="#">UABIO Head of the Board Georgii Geletukha and UABIO Board Member Serhii Savchuk voiced the position of the Association during the press conference "Renewable energy – will there be light at the end of the tunnel?"</a>	15.07.2020
<a href="#">Georgii Geletukha about necessary reforms in the district heating sector — KeepWarm project</a>	30.07.2020
<a href="#">UABIO Head of the Board Georgii Geletukha took part in the 12th Sustainable Energy + SOLAR Forum and Trade Show of Central and Eastern Europe</a>	20.10.2020
<a href="#">Chairman of the Board of the Bioenergy Association of Ukraine Georgii Geletukha took part in the webinar of the All-Ukrainian Ecological League</a>	24.11.2020
<a href="#">Scientific work «Technologies and equipment for the production and consumption of alternative fuels» won the state prize in the field of science and technology</a>	31.12.2020

#### **8. UABIO participation in other organizations and new UABIO members, other events**

<b>Event</b>	<b>Date</b>
<a href="#">UABIO new member – Zhytomyr National Agroecological University</a>	13.01.2020
<a href="#">UABIO new member – Perspektyva Engineering Company</a>	19.01.2020
<a href="#">UABIO new member – Clear Energy</a>	28.01.2020
<a href="#">UABIO new member – Arzinger LLC</a>	13.02.2020
<a href="#">UABIO new member – Leonid Melezhyk</a>	05.11.2020
<a href="#">UABIO new member – INDIAN SOLAR LLC</a>	15.12.2020
<a href="#">Ukrainian GTS Operator (OGTSU) and the Bioenergy Association of Ukraine will cooperate in the field of renewable gas development</a>	16.12.2020

## 9. UABIO members' news

Event	Date
<a href="#">Kamianets-Podilskyi CHP: the first in Ukraine, the third in Europe, the fifth in the world station with a unique ORS module</a>	16.01.2020
<a href="#">Salix energy experience: energy crops growing in Ukraine</a>	29.01.2020
<a href="#">Renewable Energy Agency (Ukraine) in a partnership with COWI A/S (Danmark) has started the implementation of the new project under the EBRD programme</a>	13.05.2020
<a href="#">Thousands of bioenergy workers may lose their jobs due to debts at the “green” tariff</a>	05.06.2020
<a href="#">Modern briquetting line of miscanthus of Ukrainian production</a>	13.07.2020
<a href="#">Kriger — a world-class boiler equipment</a>	22.07.2020
<a href="#">UABIO experts took part in the International Agroindustrial Exhibition “AGRO-2020”</a>	14.08.2020
<a href="#">Polissya National University: scientific activity, strong base, real experience</a>	11.11.2020
<a href="#">UABIO members recognized as eco-leaders in 2020 — ECOtransformation awards</a>	26.11.2020
