

# Agrobiomass: A Rural Solution in the Green Transformation

02 June 2022 | 14:30 - 17:00 CEST | Hybrid Event

## Agenda

- 
- 14:30** **Introduction**  
Irene di Padua, Policy Director, Bioenergy Europe
- 
- 14:40** **Keynote speech**  
**THE POTENTIAL OF AGROBIOMASS IN THE ENERGY TRANSITION**  
Elsi Katainen, Member of the European Parliament, AGRI committee
- 
- 14:55** **AgroBioHeat Project Presentation**  
**FINDINGS AND ACHIEVEMENTS**  
Manolis Karampinis, AgroBioHeat Project Coordinator, Centre for Research and Technology Hellas (CERTH)
- 
- 15:30** **Project Partner Presentation**  
**THE UKRAINIAN EXPERIENCE**  
Georgiy Geletukha, Head of the Board, Ukraine Bioenergy Association (UABIO)
- 
- 15:50** **Roundtable Discussion**  
**AGROBIOMASS TO FOSTER RURAL DEVELOPMENT**  
**Moderator:** Irene di Padua, Policy Director, Bioenergy Europe  
Tihamér-Tibor Sebestyén, Researcher, Green Energy Cluster  
Tajana Radic, Head of Division, EU Innovation Partnership, Agriculture & Innovation (EIP-AGRI)  
Eric Nederhand, Director Government Relations Europe, Olam Food Ingredients (Ofi)  
Barbara Pokrzywa, Sales Director, ASKET
- 
- 16:50** **Closing Remarks**  
**LOOKING AHEAD: THE FUTURE OF AGROBIOMASS**  
Manolis Karampinis, AgroBioHeat Project Coordinator, Centre for Research and Technology Hellas (CERTH)
- 
- 17:00** **End of the Event & Networking Cocktail**
- 

Venue: [Scotland House \(Rdpt Robert Schuman 6, Bruxelles\)](#)

This project has received funding from the European Union's Horizon 2020 research and innovation programme under Grant Agreement No 818369.
