

**REPORT**  
**on the activities of the Bioenergy Association of Ukraine**  
**(01.01.2022 – 31.12.2022)**

**1. Improving the regulatory framework**

Event	Date
<a href="#">UABIO proposals regarding the implementation of biomethane production projects. Letter 549</a>	11.01.2022
<a href="#">UABIO appeals regarding the critical level of the Guaranteed Buyer's debt to biomass and biogas producers. Letter 554</a>	22.03.2022
<a href="#">UABIO requests assistance in paying for electricity from biomass and biogas to producers. Letter 555</a>	24.03.2022
<a href="#">Green light for biomethane: changes have been made to the GTS and GDS Codes regarding oxygen content!</a>	05.07.2022
<a href="#">The term "digestate produced by biogas plants" has been legally defined and the requirements for its state registration have been abolished for the first time!</a>	09.12.2022

**2. Participation of UABIO members in conferences, seminars and other events, awards**

Event	Date
<a href="#">Welcome to the UABIO team new member – company «CMS Cameron McKenna LLC»!</a>	02.02.2022
<a href="#">Welcome to the UABIO team new member – the company “ERU TRADING”!</a>	15.02.2022
<a href="#">Welcome to the UABIO team new member – the company Vogelsang GmbH &amp; Co. KG</a>	07.08.2022
<a href="#">Welcome to the UABIO team new member – the company Flexsol!</a>	10.08.2022
<a href="#">Welcome to the UABIO team a new member – “Naftogaz Bioenerhiia”, a subsidiary of NJSC “Naftogaz Ukrainy”!</a>	20.10.2022
<a href="#">Georgii Geletukha is elected Bioenergy Europe board member</a>	25.11.2022
<a href="#">Welcome to the UABIO team new member – the bioenergy complex located in Globyno (Poltava region)!</a>	13.12.2022
<a href="#">Welcome to the UABIO team new member – UGS EUROPE</a>	23.12.2022

### 3. Analytical work, project work

Event	Date
<a href="#">User Manual for sustainability tool assesment for BIOPLAT-EU bioenergy projects is available!</a>	08.01.2022
<a href="#">Zoning of potential sites for construction of biomethane plants in Ukraine – an interactive map is already available!</a>	10.01.2022
<a href="#">Virtual Ukrainian-Danish Site Visit Event to Agrobiomass Heating Facilities: materials</a>	01.02.2022
<a href="#">Implementation of agrobiomass heating system in the complex of offices, warehouses, and industrial premises in Kherson — icebreaker project under the AgroBioHeat initiative</a>	04.02.2022
<a href="#">UABIO and REA presented AgroBioHeat and CERESiS projects at the 12th international exhibition “AgroSpring. Grain Tech Expo 2022”</a>	17.02.2022
<a href="#">The AgroBioHeat “Maize residues to Energy” guide is available</a>	12.04.2022
<a href="#">Ten actions of Ukraine to reject russian natural gas – UABIO Position Paper 28</a>	20.04.2022
<a href="#">UABIO as a member of the MHP Eco Energy team will take part in the BIOMETHAVERSE project within the innovative Horizon Europe program!</a>	10.06.2022
<a href="#">Prospects for biomethane production in Ukraine – UABIO Position Paper 29</a>	05.10.2022
<a href="#">Materials of the webinar “The use of alternative fuels in the aviation and waterborne transport”</a>	24.11.2022

### 4. Organization of specialized seminars, trainings, conferences

Event	Date
<a href="#">Georgii Geletukha: One of the options for achieving independence from russian natural gas is Ukrainian biomethane</a>	22.02.2022
<a href="#">Materials of the webinar “The use of alternative fuels in the aviation and waterborne transport”</a>	24.11.2022
<a href="#">Bioenergy is important and promising. Why?</a>	15.12.2022

### 5. Publications in mass media, scientific journals

Event	Date
<a href="#">Georgii Geletukha: Biomethane and Green hydrogen</a>	28.01.2022

<a href="#">Three prices for natural gas and one for biofuels — article by Georii Geletukha and Kostiantyn Bogatov</a>	11.02.2022
<a href="#">Biomass replaces natural gas — energy security and climate protection as a bonus</a>	05.10.2022
<a href="#">Georgii Geletukha: Terms and options for biomethane export</a>	07.10.2022

## 6. Uabio member events and activities

<b>Event</b>	<b>Date</b>
<a href="#">The largest biomass boiler house in Western Ukraine was put into operation in Rivne!</a>	15.06.2022
<a href="#">-40% of gas consumption — a powerful boiler house in Slavutych</a>	20.06.2022
