

UABIO

Bioenergy
Association
of Ukraine

Membership
proposal

2026

UABIO stands for the sustainable development of bioenergy in Ukraine

Bioenergy Association of Ukraine is a nonprofit civic union that unites business and experts for sustainable bioenergy development in Ukraine.

66

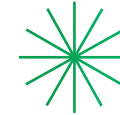

leading companies

10

individual members

20+

experts in the field of bioenergy

activity throughout Ukraine

UABIO members:

affect the bioenergy market of Ukraine at the legislative level;

increase the brand/product/activity awareness among the target audience;

receive consultations and priority support within the framework of national and international projects of the Association;

receive exclusive information on important developments, news and global trends in bioenergy.

UABIO membership

World Bioenergy Association

Bioenergy Europe

European Biogas Association

Co-founder of the civic union

Global 100RE Ukraine

Current UABIO projects:

Federal Ministry for Economic Cooperation and Development, BMZ

UABIO clients and partners:

REPRESENTATION AND ADVOCACY

What do we do?

- participate in the development of legislation, state and industry standards, programme documents, energy strategies concerning sustainable bioenergy growth in Ukraine;
- provide expert, consultative, methodical and informational assistance to the Association's members;
- participate in the biggest bioenergy conferences in Europe and Ukraine.

Your benefits

- collaboration with government and business circles that have an impact on Ukrainian bioenergy and possibility to vote on the Association's meetings and working groups;
- access to all Association's developments, insights and contacts;
- up to date information on main bioenergy events, access to all analytics, articles, presentations from UABIO events and free participation in UABIO events.

MARKET MONITORING

What do we do?

analyze the bioenergy market development

review national and international legislation in bioenergy, renewable energy, energy efficiency and climate change.

Your benefits

access to exclusive and proven information on world practices, experience and professional standards;

access to UABIO Analytics, Position Papers, Articles, Presentations.

EXPERT ASSESSMENT

What do we do?

feasibility study for the construction of new and reconstruction of old CHPs, biogas plants, boiler houses and cultivation of energy crops;

cooperate with international professional associations and organizations;

cooperate with business, bioenergy experts, representatives of the public bodies, international organizations, higher educational establishments, scientific institutes.

Your benefits

opportunity to participate as a partner in UABIO international projects;

consulting from the Association's experts;

expanding the range of potential partners and clients

INFORMATION SUPPORT

What do we do?

- organize public events: conferences, seminars, working meetings, workshops;
- create a positive image of bioenergy in society through UABIO website, social networks, digest;
- cooperate with the media

Your benefits

- promote your business among the energy community through UABIO website, social networks, digest and have the access to marketing programmes of the Association;
- participate in the events of the Association free of charge or on preferential terms;
- cooperate with media as a partner of the Association.

UABIO RESULTS

✱ 2013

UABIO creation

✱ 2015

Participation in the drafting of the adopted Law of Ukraine on improving the conditions of application of the green tariff for bioenergy objects

✱ 2017

Participation in the development of the adopted Law of Ukraine on stimulation of heat production from alternative sources with application of tariffs at the level of 90% of gas tariffs

✱ 2019

Through joint efforts of UABIO and other organizations, the green tariff is not reduced for biomass and biogas electricity production facilities

✱ 2021

Participation in the drafting of the adopted Law of Ukraine on the development of biomethane production

Participation in the development of registered draft laws on the support for the cultivation of energy crops:

- regarding the state support of growing energy crops;
- on amendments to the Article 288 of the Tax Code of Ukraine regarding the rent for land plots on which energy crops are grown

✱ 2021

Participation in the preparation of the adopted Law of Ukraine on the improvement of state regulation of digestate use

Participation in the development of the Procedure for the functioning of the biomethane register. Taking into account UABIO's proposals, the NEURC adopted a resolution to simplify the requirements for oxygen content in biomethane

✱ 2024

Participation in the development of the adopted amendments to the Customs Code on the export of biomethane.

Participation in the drafting of the Order of the Ministry of Finance on customs clearance of biomethane.

Participation in the preparation of the Law on the mandatory share of liquid biofuels in petrol and sustainability criteria for biofuels.

Participation in the drafting of amendments to the GDS Code regarding technical conditions for connecting biomethane production facilities.

✱ 2026+ work on:

Integration of Ukrainian biomethane into European markets;

Synchronisation of the biomethane registry with UDB;

Exemption from CO2 tax for biofuels and biogas facilities;

Electronic trading system for solid biofuels;

State support for the cultivation of energy crops;

Competitive heat market, as well as incentive tariffs for biomass heat producers.

MEMBERSHIP FEES

STATUS, NETWORKING, AND ADVOCACY

FOR INDIVIDUALS ONLY

Individual

Fee – EUR 400/year

- + Participation in UABIO General Meetings with voting rights (1 vote)
- + Influence on Association & bioenergy sector development
- + Participation in the development of UABIO position papers
- + Access to UABIO materials
- + Contribution to official communications with authorities
- + Participation in shaping legislative initiatives
- + Access to closed meetings and networking opportunities
- + Participation in meetings with government authorities

Green

Fee – EUR 1500/year

- ✓ Participation in UABIO General Meetings with voting rights (2 votes)
- ✓ Influence on Association & bioenergy sector development
- ✓ Participation in the development of UABIO position papers
- ✓ Access to UABIO materials
- ✓ Contribution to official communications with authorities
- ✓ Participation in shaping legislative initiatives
- ✓ Access to closed meetings and networking opportunities
- ✓ Participation in meetings with government authorities

Green Star

Fee – EUR 2500/year

- ✓ Participation in UABIO General Meetings with voting rights (2 votes)
- ✓ Influence on Association & bioenergy sector development
- ✓ Participation in the development of UABIO position papers
- ✓ Access to UABIO materials
- ✓ Contribution to official communications with authorities
- ✓ Participation in shaping legislative initiatives
- ✓ Access to closed meetings and networking opportunities
- ✓ Participation in meetings with government authorities
- + Individual consultations with UABIO experts (2 times per year)
- + Use of UABIO branding & event support (subject to approval)
- + Priority processing of requests

MEMBERSHIP FEES

INFORMATIONAL SUPPORT

FOR INDIVIDUALS ONLY

Individual

Fee – EUR 400/year

- + Profile information published on the UABIO website in the “UABIO Members” section
- + Publication of an announcement, press release, news item, or interview based on your materials on the UABIO website (approx. 55,000 unique users per year), with additional promotion via UABIO social media (15,000 followers) and newsletter digest (over 9,000 subscribers) (once per year)

Green

Fee – EUR 1500/year

- ✓ Profile information published on the UABIO website in the “UABIO Members” section
- ✓ Publication of an announcement, press release, news item, or interview based on your materials on the UABIO website (approx. 55,000 unique users per year), with additional promotion via UABIO social media (15,000 followers) and newsletter digest (over 9,000 subscribers) (once per year)
- + Company logo displayed on the website and in UABIO informational materials (presentations, banners, invitations, analytical reports, newsletters)

Green Star

Fee – EUR 2500/year

- ✓ Profile information published on the UABIO website in the “UABIO Members” section
- ✓ Publication of an announcement, press release, news item, or interview based on your materials on the UABIO website (approx. 55,000 unique users per year), with additional promotion via UABIO social media (15,000 followers) and newsletter digest (over 9,000 subscribers) (twice per year)
- ✓ Company logo displayed on the website homepage and in UABIO informational materials (presentations, banners, invitations, analytical reports, newsletters)

Green Star

Fee – EUR 2500/year

- ✓ Participation in UABIO events (online and offline)
- ✓ Participation as an expert in podcast recordings, UABIO Friday, and other formats (twice per year)
- ✓ Special partnership terms for UABIO events (discounted participation, speaking opportunities, and the ability to distribute materials during events)
- ✓ Opportunity to participate in international events as a UABIO member
- ✓ Issuance of support letters for participation in international tenders and grant applications
- + Advisory support for participation in funding, scientific, and research programs (e.g. Horizon Europe, Innovate Ukraine, EBRD)

HOW TO BECOME A MEMBER

1

Complete the short application form

[Go to form >](#)

2

A UABIO representative will contact you and provide the membership application form and invoice

3

Pay the invoice according to your selected membership package and submit the completed and signed application form

4

Receive your official UABIO membership certificate, verifying affiliation with the organization
